YOUR PREFERRED PARTNER FOR
YOUR FAREWELL CEREMONY
PERSONALISING WITH YOU
EVERY STEP OF THE WAY.

WE STRIVE TO CELEBRATE AND
COMMEMORATE HOW YOU LIVE AND
LEAVE YOUR LIFE, DOING SO WITH
INTEGRITY AND COMPASSION.

OUR PHILOSOPHY

The Life Celebrant (TLC) in Mandarin is
心篇章

translated to 'Chapters From the Heart'.
We believe that everyone has a life story.
These stories deserved to be told, shared and
remembered.

Taking every step to ensure a beautiful farewell for
each departed.

Death is not the end.

It is the beginning of a new chapter

DECEDEDENT CARE

FINAL ACT OF SERVICE

We understand that some departed may not have the luxury to take a proper shower prior to their passing.

By giving a final bath to the departed, we are providing the dignity that each departed deserved.

This final act gives family members a gratifying sense of closure and it is emotionally cathartic.

A final act of service,
to shower our departed with love

A final word of thanksgiving,
to express our grief and gratitude

A final window of quality time,
to remember the beautiful memories

SHOWERS OF LOVE™

Soft-Embalming Technique

Traditional embalming technique uses high concentration of formaldehyde, that causes tissues to dehydrate and harden, altering the appearance of the deceased and making it a challenge to clean, dress and prepare the body for viewing.

At TLC, we use Soft-Embalming technique to preserve the body of the departed, giving it a natural look and feel, and without the overpowering smell of formaldehyde.

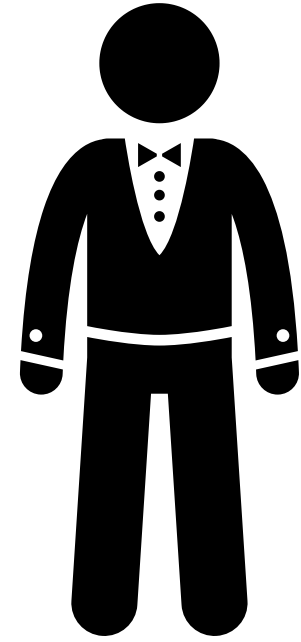

Our bespoke Soft-Embalming technique allows families to take comfort while performing the Showers of Love ceremony (family-assisted body cleansing , dressing and make up service)

DECEDENT CARE

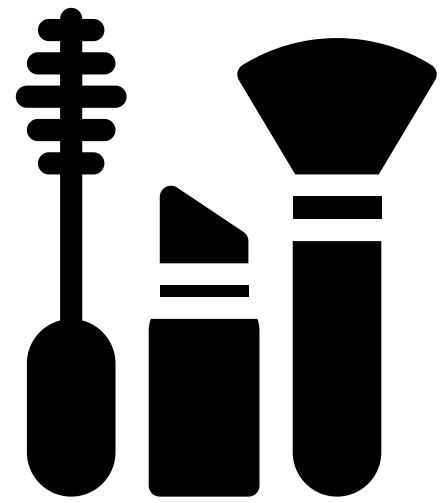

DRESSING

Our parents dressed us when we first came into this world; it is only right that we dress them for the last part of their journey.

MAKE UP

Prepare your loved ones as how you remember them in life. We use soft-embalming techniques to maintain a natural and life-like look.

HAIRSTYLE

We go the extra mile in taking care of the details, such as hairstyle and how the departed would have preferred to wear it. We do our best to retain the visual memory of your loved one.

FUNERAL CONCIERGE

There are many things to prepare during a funeral - from booking the wake venue, provision of food and beverage, to making the arrangement for the final resting place. We take on the role as your concierge in managing all the essentials so that you can focus on dealing with your emotions and other important matters.

At TLC, we take great pride in understanding the needs of the family and the desires of the departed, and to create a meaningful funeral for your loved ones.

FUNERAL CONCIERGE

HOSPITALITY SERVICE

REFRESHMENT

It is common practice to serve food and beverage during the funeral wake as friends and family come together to share memories of the loved one. We can customise to your choice of catering and refreshments.

NIGHT/VIGIL SERVICE

TLC provides night service and overnight vigil service at the funeral wake to ease the burden of your family. You should get some rest.

A MEANINGFUL FUNERAL

Creating a meaningful experience is all about personalising the funeral to reflect the personality, the values, the likes and ideals of your loved one.

At TLC, we help you curate a beautiful farewell for your loved one and make it meaningful for your family.
